SIZE UP YOUR SPACE CHOOSE THE RIGHT SET

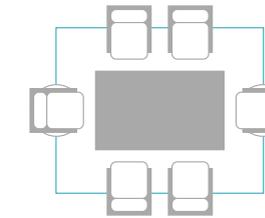

Dining sets are great for entertaining and enjoying casual meals outdoors. Lowe's offers sets that accommodate 4-6 people comfortably.

KNOW BEFORE YOU BUY

ALL ABOUT YOUR FURNITURE

Outdoor furniture is backed by a 1-year limited, 3-year limited or 5-year limited warranty, depending on the set.

Outdoor cushions are protected with a separate 1-year or 2-year warranty.

For more warranty information, see collection details starting on page 70.

Sunbrella outdoor cushions are also backed by an industry-leading 5-year limited warranty.

Aluminum frames are lightweight, rust resistant and a good choice for areas with harsh weather.

Steel frames are sturdy, durable and heavier than aluminum frames.

All-weather wicker is low maintenance and easy to clean. It's made of resin, which resists the elements better than natural wicker.

Sling fabric chairs are lightweight, easy to clean and don't require cushions. Sunbrella sling fabric resists fading and stains for up to 5 years.

For the complete Atworth Collection, see page 70.

MIX IT UP

CREATE YOUR IDEAL ARRANGEMENT

Your patio's layout should allow you to both entertain and relax. Sectionals can be set up in different configurations to suit your space. Try one of the arrangements you see here or experiment until you find your perfect setup.

IN GOOD COMPANY

MADE FOR CONVERSATION

You and your friends can talk for hours—preferably over a cold beverage and a tasty cheese plate. But when you head to a secluded patio, the talks run a little deeper and the friendship feels a little closer. Add a crackling fire, a cozy love seat and the glow of Tiki torches, and you'll never want the conversation to end.
